EclA Reporting Costs	1,060.00
Additional Reporting Costs for EclA	550.00
EclA report including summary of all preliminary and all further detailed habitat and protected species surveys and findings, assessment of impacts, and species-specific recommendations for mitigation and enhancement.	
Local Environmental Records Centre (LERC) Data Search Fees	95.00
Estimated cost - data search fees will be charged to you at cost. Data search fees are set by the Local Environmental Records Centre (LERC) and are therefore subject to variation. Due to this, the final fee may vary slightly from the estimation provided in your fee proposal.	
This item is carried over from initial fee proposal and will be required for the EclA report.	
Data Search Review Time	175.00
Consultant to review the results of the charged data search and incorporate these into the desk study section of the report.	
This item is carried over from initial fee proposal and will be required for the EclA report.	
Dorset Biodiversity Mitigation Plan	240.00

Product name	Sum
Preparation and submission of the Dorset Natural Environmental Team (NET) Plan form.	
This item is carried over from initial fee proposal and will be required for planning.	
Biodiversity Net Gain	700.00
BNG Report & Calculations	700.00
Formal assessment of achieved Biodiversity Net Gain. Pre- and post-development biodiversity value will be calculated using the current DEFRA Calculation Tool. The details of the site walkover survey and associated calculations will be summarised in a Biodiversity Net Gain Assessment Report.	
Subtotal:	2,947.00
Tax:	589.40
